

## STEM for ALL

**Name of Submitter:** Christine Mitchell **Submitter Email:** [christine.mitchell@wilsonschoolsnc.net](mailto:christine.mitchell@wilsonschoolsnc.net)

### **Cultivating Change: Strategies for Inclusive STEM Leadership**

Join us for an informative session focused on the opportunities within the field of STEM education. Learn about effective strategies for promoting change, cultivating inclusive leadership and forming partnerships across school districts. Discover how to create an environment that supports STEM education, breaks down barriers and embraces diversity. We will explore ways to foster innovation, equity and excellence in STEM education through collaborative discussions. Engage in constructive conversations, share successful approaches and work together to build a more inclusive and impactful STEM community. Let's come together to inspire, empower and contribute to positive change in the field of education.

### **Presentation Target:**

K-12

### **Presenter(s):**

1. Dr. Christine Mitchell, District STEM Coordinator, Wilson County Schools
2. Dr. Jennifer Stalls, Director of STEM, Pitt County Schools
3. Dr. José Garcia, Director of K-12 Curriculum & STEM Education, Greene County Schools
