Presentation Title: *Bridging Home, School, and Community: A Literacy Partnership Model*

Participants can expect an interactive and practical learning experience focused on strengthening family-school partnerships in literacy. They will engage with real examples from a literacy initiative, explore research-based strategies aligned with the Science of Reading and examine how to effectively connect home and classroom practices. Participants will also reflect on their own contexts, discuss implementation ideas and leave with actionable tools and strategies they can immediately use to support families and improve student literacy outcomes.

Presentation Target:
