

HANDS-ON, MINDS-ON INSTRUCTIONAL PRACTICES

Name of Submitter: Kit Wellner

Submitter Email: kwellner@wcpss.net

Presentation Title: *Literacy-Based STEAM*

There are a number of readily available lists of books with lesson ideas, shared folders and databases of lessons, and web resources that offer free STEAM lesson plans and activities.

In this presentation, we will go through some of these great options. We will explore picture books that support STEM and STEAM education alongside manipulatives to accompany each lesson. Attendees receive full lesson plans for each of the books with links to digital resources included in those lessons.

Presentation Target:

Elementary School

Presenter(s):

1. Kit Wellner, Librarian, Wake County Public School System
